**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've moved to San Francisco 5 years ago from Ireland. I've lived and worked in several East and West European countries and was unpleasantly surprised when I've discovered that the best internet connection I can get in the cradle of tech, is a backward DSL line. Things improved since then, Sonic brought fiber to my place and now I feel like I'm on the civilized world again. Please be mindful that your decisions may have adverse effects on ISPs such as Sonic. The very company that strives to bring the infrastructure of Bay Area into 21st century.
